CAROUSEL FUNDRAISER AT DISNEYLAND RESORT
TO BENEFIT 10 YOUTH-SERVING ORGANIZATIONS IN ORANGE COUNTY

***‘Carousel of Possible Dreams’ to take place on
King Arthur Carrousel at Disneyland park before opening to the general public***

WHAT: **A great photo opportunity!** King Arthur Carrousel at Disneyland park will serve as a spectacular backdrop for Festival of Children Foundation’s signature fundraiser called ‘The Carousel of Possible Dreams.’ The early morning event will take place before Disneyland park opens to the general public and benefit 10 Orange County nonprofits that serve children:

**Boys & Girls Club of Anaheim
Child Guidance Center
Down Syndrome Association of Orange County
Festival of Children Foundation
Girl Scouts of Orange County
Healthy Smiles for Kids of Orange County
Orange Children & Parents Together
Orange County School of the Arts
Project Hope Alliance
TACA – Talk About Curing Autism**

Each organization has assembled a team of riders, ready to take the reins and raise money for their organization. Riders are currently soliciting donations online, with the promise that they will each complete 50 revolutions on the carousel. On the day of the event, they’ll continue to make calls for donations between revolutions, with the hopes of meeting or exceeding their goal. 100% of the money the riders raise will go directly to the nonprofit organizations.

The rider who raises the most money by 5:00 p.m. the night before the event will win a weekend stay at Disney’s Grand Californian Hotel and four Disneyland Resort Park Hopper tickets compliments of the Disneyland Resort. To learn more about each nonprofit’s fundraising program or to support a rider visit www.festivalofchildren.org/disneyland2014.
